25X1

1. [REDACTED] at Minsk airfield [REDACTED] there was no indication of the construction of concrete runways and [REDACTED] no new hangars had been built over the past 15 months. There was, however, a considerable increase in the number of buildings erected around the airfield, most of which appeared to be dwelling houses.
2. Great progress had been made in rebuilding Minsk. There were a number of new factory buildings and many new dwelling houses. Most of the latter were large, Swedish-type houses. There was no sign of the construction of large apartment houses or tall buildings.
